## ATTENDANCE

At Upland Terrace we value our in class time. Please be conscious of this as you plan vacations and appointments. I understand that some absences are unavoidable. If your concerned about your child's health, please keep them home. I will do my best to work with students and parents as you do your best to have your child here ready to learn when possible. If you are unable to avoid your child missing school, please make sure to communicate with the office and myself so that absences are excused and missing work can be arranged. Missing work will be provided for students when they return to school as per school policy.

## HEALTH AND SAFETY

We are doing our best to keep our students healthy and happy this year.   - limit touching surfaces.
- Students will wash hands frequently
- Students will use hand sanitizer frequently
